

Teacher Appreciation Week

Show your support by donating today!

1.

Want to give to your teacher but unsure how to safely do so during COVID-19?

We have created a Wish List for all teachers and support staff in Santa Fe ISD so you can give safely during the coronavirus pandemic!

2.

There are a variety of needs, including online learning...

Online subscriptions for students, AMAZON gift cards for student and classroom supplies, Teacher Pay Teachers Program (online lesson plans and instruction), subscription to education.com, art paper, treasure chest items, stationery supplies, wobble stools, sticky notes, pens, and SO MUCH MORE!

3.

Enter these details when completing your donation...

Please note the name(s) of the teacher(s) or staff you are donating to, their grade, subject or department and the campus where they work. This will help ensure your funds are sent to the correct campus where your teacher can receive their gift.

4.

Congratulations!
You have just made someone's day that much brighter!

Your donation will leave ripple effects! Your generosity will enable a teacher or support staff member to enhance their classroom or online learning experience!
