PROGRAMS

- **Tribe's Closet** is a place for students and families in need to shop for clothing, shoes, baby needs, and more.
- **The Reading Tree** support literacy in Santa Fe ISD through the Summer Reading Program.
- **The Indian Innovation Lab** is our mobile book and STEM bus for use at campuses and in our community.
- **Classroom Wish Lists** are available for educators to submit their classroom needs or "wishes" up to \$500 for community funding.
- **Grants for Great Ideas** is an annual process where educators can submit grants for innovative or needed materials to enhance learning in their classrooms.

Support our Foundation,
Support Kids

 Founded in 2010, the Santa Fe TX Education Foundation raises money to support the students, teachers, and employees in Santa Fe ISD. Why partner with us? Our teachers and students are working harder than ever before. Add to that mental health needs on the rise and educational gaps left from COVID. Your partnership makes a difference and allows us to implement innovative resources to give students opportunities they might not otherwise have.

-  We provide an array of programs all dependent on support from our community and partners.
- Grants for Great Ideas
 - Tribe's Closet for students/families in need
 - STEM programs and Indian Innovation Lab (mobile book/STEM bus)
 - Classroom Wish Lists and more
